Dear Mr. Campbell:

This is in response to your Freedom of Information Act (FOIA) request seeking information pertaining to Manute Bol, a former NBA basketball player from Sudan. We received your request on July 15, 2019, and assigned it case number DODOIG-2019-000887.

This office is responsible for processing all FOIA requests for access to records maintained by the Department of Defense, Office of Inspector General (DoD OIG). The DoD OIG is an independent and objective agency within DoD, responsible for promoting the integrity, accountability, and improvement of DoD personnel, programs, and operations. We accomplish our mission by conducting audits, investigations, inspections and assessments, and recommending policies and procedures to promote the economic, efficient, and effective use of DoD resources and programs that prevent fraud, waste, abuse, and mismanagement.

Given our mission and responsibilities, we are not aware of a nexus between the information you are requesting and the DoD OIG. With this action, I am administratively closing your case in this office.

If you have any questions regarding this matter, or if you have additional information that the DOD OIG created the documents you seek, please contact me at 703-699-7576 or via email to foiarequests@dodig.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric R. Powers", is located below the "Sincerely," text.
